## REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The claimed invention requires a system for controlling currency exchange and merchandise sales on an aircraft comprising a service cart, a point of sale computer, a security drawer, wherein the security drawer includes a locked, closed position and an unlocked, open position. The allowable features are a security drawer moveably mounted in a sleeve, the security drawer having, when the security drawer is mounted in the service cart: a locked, closed position such that the body cannot be removed from the service cart when the security drawer is in the locked, closed position; and an unlocked, open position such that an interior of the security drawer may be accessed when the security drawer is in the unlocked, open position.

Bertagna et al. (5,057,677) discloses a system for controlling currency exchange and merchandise sales on an aircraft comprising a service cart and a point of sale computer. Bertagna et al. fails to disclose a security drawer.

Pagliaccio (see Figure 1) and Bachman (see Figure 1) both disclose security drawers with sleeves but fail to disclose the specifics set forth above for each of the locked and unlocked positions. Pagliaccio fails to disclose a security drawer moveably mounted in a sleeve, the security drawer having, when the security drawer is mounted in the service cart: a locked, closed position such that the body cannot be removed from the service cart when the security drawer is in the locked, closed position. Bachman fails to disclose a security drawer moveably mounted in a sleeve, the security drawer having, when the security drawer is mounted in the service cart: an unlocked, open position such that an interior of the security drawer may be accessed when the

security drawer in the unlocked, open position. No single reference or combination of references anticipate or make obvious Applicant's claimed invention. Therefore, claims 1-24 are allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
